Summary of reasons for decision:

The computer image file does not deal with any matters under s3(1) or s3(1A) of the Films, Videos and Publications Classification Act 1993, nor do s3A or s3B of that Act apply. The publication is therefore unrestricted.

The image file shows the head a very young blonde girl smiling at the camera. She appears to be approximately 5-6 years old. Text above the image includes the words "She told me she was 18!" The connotations of image and text together are offensive. However, they are not sufficient to render the image sexual in nature.

An unrestricted classification places no limitation on the freedom of expression set out in s14 of the New Zealand Bill of Rights Act 1990.
